Harold

A friend of mine friend is interested in knowing if your parents (Dad) came from Russia, -Ukraine
if you have any brother, if so -NO
how many and how long had
it been since you've seen.
Date your dad died. -March 1933

Seems to think she is related
to you or something.* (If she tells me more perhaps I can help her decide. Who are her parents, grandparents etc.?)

If questions aren't too personal
answer on card and I'll give
her info.

She's a lady who works at
Washington Univ. Lib. here in St. Louis.
and keeps getting the girl that
I know to keep asking me to
find out.

Thanks

I hope you got the article I mailed you in the Post Dispatch. Had to laugh about Barry only one of 130 investigators worked on $50,000.00 offer and that he was full time doing it!

Agreed!

Full time playing pinball, watching porno etc!!!

Take care.
